SQL Advent Calendar

It's a snow day, and Buddy is deciding which tasks he can do from under a blanket....

Question 1: It's a snow day, and Buddy is deciding which tasks he can do from under a blanket. Can you find all tasks that are either marked as 'Work From Home' or 'Low Priority' so he can stay cozy and productive?

```sql
SELECT
  *
FROM daily_tasks
WHERE
  task_type = 'Work From Home'
OR priority = 'Low';
```
