Some elves took time off after the holiday rush, but not everyone has returned to work....

Question 1: Some elves took time off after the holiday rush, but not everyone has returned to work. List all elves by name, showing their return date. If they have not returned from vacation, list their return date as "Still resting".

```
SELECT
    e.elf_name,
    CASE
        WHEN v.return_date IS NULL THEN 'Still resting'
        ELSE v.return_date::text
    END AS return_status
FROM elves e
LEFT JOIN vacations v
ON e.elf_id = v.elf_id
```
